

Paint for concrete **BETONMAL light gray RAL7035 1,1L**

Model : jasny szary 1,1L RAL7035

Paint for concrete BETONMAL light gray RAL7035 1,1L

Manufacturer : RAFIL

BETONMAL is two component paint for concrete. It is ideal for building interiors and industrial facility production facilities, machine shops, warehouses, garages, basements, public buildings for example: schools, hospitals, kindergartens, offices. BETONMAL well works in spaces for indirect food contact (dairies, breweries, bottling water, bakeries, butchers). Penetrating deeply into the concrete strengthens and seals the substrate creating a smooth, uniform surface without fugues. Highly resistant to abrasion, chemical agents, petroleum products, acid fumes and gases and cleaning agents and disinfectants. BETONMAL creates easy and convenient to keep coating.

Color: light gray RAL 7035

Price : 16,44 Euro inc VAT (13,37 Euro ex VAT)
